LOIRMER WILL NOT RESIGN Illinois Senator Refuses To Separate Himself From His Job.

Washington, June 6.—Senator Lorimer, of Illinois, plans not to speak in defense of his seat in the senate until practically all other speeches on both sides have been presented.

All efforts have failed to induce him to resign to avoid what some senators have told him is certain defeat after a careful canvass of the situation. Senator Lorimer insists that whatever he has to say will be said in the senate. He has made notes frequently during the speech of Senator Kern, of Indiana. Senator Kern expects to conclude his speech against the Illinois senator tomorrow.

DYING MAN ON TRACK

Ed White, A Negro Construct-
ion Hand, Was Fatally
Injured.

MURDER IS SUSPECTED.

Alive When Found Near The
Latham Station, But Died
A Few Hours Later.

Ed White, a colored man employed by a construction crew located at Kelly, was found in a dying condition on the L. & N. railroad near Latham Thursday morning. He was brought to town and taken to a colored man's house on Third Street and died at ten o'clock, without ever regaining consciousness. His left arm was cut off, his head was split open and there was a deep gash on one cheek. Conductor Hart said he saw him lying by the track and did not know whether his train had hit the man or not. Dr. Jackson, who attended the negro, says the wounds appear to have been made with an axe and there is a belief that White was murderously assaulted and placed on or near the track. The wounds are all clean cuts, without any bruised or rough surface.

White's home was at Pulaski, Tenn., but he has been at work in this county for the last two years.

Three went to Crofton, one to Dr. Caudle at Newstead and the other to James Orton, of Hopkinsville. Nearly fifty new machines have been sold here this season by the various agencies.

Miss Marguerite Lawson, who graduated in music with high honors in a Nashville college, returned home this week.

The Pembroke Journal says of the meeting:

"Few district conferences have ever been received and entertained as the present one in Pembroke. Nothing has been neglected by the good people of Pembroke, under the able leadership of Rev. T. L. Hulse, to make every moment of the visitors as pleasant as possible. The homes have been thrown open and the visitors have been received with open hands, the work receiving an impetus at the beginning that has made this session the most successful and profitable of all preceding ones."
